

AGENDA

Sunday 12th March, 2017

20.00 *Networking dinner* at Restaurant "BarcelonaMilano"

Monday 13th March, 2017

- 08.30-08.45 Welcome**
Josep M Llovet - Consorci Institut d'Investigacions Biomèdiques August Pi I Sunyer - Hospital Clínic Barcelona, Spain
- 08.45-09.00 Coordinator address**
Robert Thimme, Universitätsklinikum Freiburg, Germany
- 09.00-09.30 WP6 "Management, review and assessment" and WP7
"Dissemination, communication and exploitation activities"**
Paola Cesaroni - ALTA Ricerca e Sviluppo in Biotecnologie Srlu, Italy

SCIENTIFIC SYMPOSIUM

- 09.30-10.00 WP1 "Genetic screening to identify deregulated host and tumoural pathways in HCC with different co-morbidities"**
• Progress towards tasks and deliverables: Task 1.1, Task 1.2, Task 1.3, D1.1, D1.2, D1.3

Presented by: Josep M Llovet and Roser Pinyol - Consorci Institut d'Investigacions Biomèdiques August Pi I Sunyer - Hospital Clínic Barcelona, Spain
- 10.00-10.30 Coffee break**
- 10.30-11.00 WP2 "Lipidomic analysis of HCC with different co-morbidities/gender"**
• Progress towards tasks and deliverables: Task 2.1, D2.1

Presented by: Jane McKeating - University of Oxford, UK

11.00-12.45**WP3 "Viral co-morbidities on HCC disease pathways"**

- Progress towards tasks and deliverables: Task 3.1b, Task 3.3, Task 3.4 D3.1, D3.3

Presented by: Jane McKeating - University of Oxford, UK

- Progress towards tasks and deliverables: Task 3.1a, D3.3

Presented by: Ulrike Protzer Helmholtz Zentrum München, Germany and Massimo Levrero Institut National de la Santé et de la Recherche Medicale, France

- Progress towards tasks and deliverables: Task 3.2, D3.2

Presented by: Joachim Lupberger - Institut National de la Santé et de la Recherche Medicale, France

12.45-13.45*Lunch***13.45-15.15****WP4 "Immune pathways contributing to HCC progression and control"**

- Progress towards tasks and deliverables: Task 4.1a, Task 4.1b, D4.1, D4.2

Presented by: Mathias Heikenwälder - Deutsches Krebsforschungszentrum, Germany

- Progress towards tasks and deliverables: Task 4.2, Task 4.3, Task 4.4, D4.3, D4.4, D4.5

Presented by: Robert Thimme and Nico Büttner - Universitätsklinikum Freiburg, Germany

15.15-15.45**WP5 "Validation of HCC disease pathways and their relevance to co-morbidities and response to therapy"**

- Progress towards tasks and deliverables: Task 5.2b, D5.1, D5.4

Presented by: Stephanie Rössler - Universitätsklinikum Heidelberg, Germany

15.45-16.00*Coffee break***16.00-16.30****Comments and advices from the Scientific Advisory Committee and the Ethical Committee****16.30-17.00****Final discussion and summary****Meeting Venue**

CENTRE ESTHER KOPLOWITZ
C/ Rosselló 153, Barcelona 08036 - Spain
